ABOUT US

ROSE LOGISTICS: Your expert Freight Forwarder and NVOCC. We specialize in Air & Sea consolidation, delivering smart, swift, and secure shipping solutions that power your supply chain.

VISION

To be the benchmark for logistics excellence in Pakistan, recognized globally for our reliability, innovation, and commitment to connecting businesses to the world. To redefine the logistics experience by becoming the region's most trusted and agile supply chain partner, empowering client success through seamless global connectivity.

MISSION

To deliver superior freight forwarding, NVOCC, and consolidation services by combining deep industry expertise with cutting-edge technology. We are dedicated to providing our clients with reliable, efficient, and transparent supply chain solutions that drive their success, while upholding the highest standards of safety and integrity.

OUR CORE SERVICES

At ROSE LOGISTICS, we provide a complete range of services to manage your supply chain from end to end.

- Global Air & Sea Freight Forwarding
- NVOCC Services (FCL & LCL)
- Efficient Customs Brokerage & Clearance
- Expert Air & Sea Consolidation
- Secure Warehousing & Distribution Solutions

WHY CHOOSE ROSE LOGISTICS?

Choose ROSE LOGISTICS as your strategic logistics partner for a truly seamless experience. As a comprehensive Freight Forwarder, NVOCC, and Air & Sea Consolidator, we are your single point of contact for all shipping needs, simplifying your entire supply chain. Our deep expertise in Karachi's customs and port operations ensures swift, efficient clearance, while our robust global network connects you to markets worldwide. We are committed to providing personalized, reliable, and cost-effective solutions, making us not just a service provider, but a dedicated partner in your success.

CONCLUSION

At ROSE LOGISTICS, your business is our priority. We deliver excellence, reliability, and value in every shipment. Trust us to be your seamless connection from Karachi to the rest of the world. Let's move your business forward.
